Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the North Main Street Revitalization Project in Fiscal Year 2024.

The entity to receive funding for this project is the Rhode Island Department of Transportation, located at 2 Capitol Hill, Providence, RI 02903.

The funding would be used to undertake important and much-needed infrastructure upgrades along the North Main Street corridor in the City of Providence. The project is an appropriate use of taxpayer funds because it would allow for urgently needed traffic calming measures and increased mobility connections for people walking and biking.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "David N. Cicilline".
